

Partners for Life Choice Care Center Second Quarter 2011

A Word from the Director

I thank our God for each of you daily. For you prayer warriors, you donors, you volunteers. This ministry is thriving as a result of the dedication of so many who over the years have never faltered in this culture war. We who are called into this ministry are engaged daily in a spiritual battle. But be encouraged, we are taking back ground in this battle for the lives of the unborn.

- The numbers of abortions reported have been decreasing in the State of Florida since 2006.
 - The attitudes about adoption are changing. We are seeing a number of young women that are choosing to place their babies in adoption. Because of the "Choose Life" auto tag funds, we are able to give assistance to these birth moms as they make an adoption plan.
 - On the political front, in the month of April, 5 pro-life bills were passed.

Moody Radio Florida "Baby Days" Event

Life Choice Care Center hosted Moody Radio's "New Day Florida" program in a live broadcast from our Center on May 20th. Many thanks to Station Manager Pierre Chestang and his great team, for sharing with their listeners the important role Pregnancy Resource Centers play in pro-life ministries. Kate Bruington greeted our visitors, interviewed staff and volunteers, and broadcast via Skype with Ron Maxwell at the station from our lobby. We had over 80 visitors to our open house. It was a wonderful opportunity to introduce so many new friends to our ministry.

We so appreciate all of the gifts brought by our visitors that day. We received 160 packs of diapers, 52 packs of wipes, baby clothes, stuffed animals, as well as monetary donations. We also want to recognize **Fresh Start Donuts of Beverly Hills** for the delicious donuts, and **Angelotti's Restaurant** for great pizza. Thank you for your generous donations.

Baby Bottle Boomerang

Thank you First Baptist Church of Floral City, First Baptist Church of Beverly Hills, Cornerstone Church and First Baptist Church of Inverness for participating in the Baby Bottle Boomerang (BBB) fund raiser. Any church interested in hearing about what we are doing at LCCC or the BBB please call Kathy Davis at LCCC. (352)341-5176

The 12th Annual Life Choice Care Center Celebration October 27th

This is what William Carey said regarding the Great Commission, “Expect great things from God, attempt great things for God”. You can hear more about the “great things” our ministry is attempting on October 27th.

We are looking forward to sharing with you the vision for the future of this ministry as we persevere in our mission, which is, to uphold the sanctity of human life to women facing crisis pregnancies by proclaiming the personal witness of Jesus Christ

This year, Chris Whaley, pastor, author, and humorist, will be our speaker. His book is “The Masked Saint” and is currently being considered for a movie.

So many of you have been a part of making our past celebrations a success, I ask for your support again this year. We will need table sponsors, table hosts, greeters and servers.

Volunteers Wanted

I was thinking about God the Potter and me the clay, then about us as jars of clay. I marvel that He should pour His treasure into us. But this is a treasure we are called to share. We are to pour it out on others, and in so doing, we are constantly replenished.

Only one thing can limit this ministry, “...though the harvest is plentiful, the workers are few”. Matt 9:37. The more volunteers we have, the more we can serve. Wonderful things are happening here. Relationships are being formed and lives are being changed. The mission field is right here in our county. Come; help us pour out God’s love on our sweet clients.

I ask you:

- To commit to pray daily for the workers and clients.
 - To be the contact person at your church.
 - To be that loving voice answering the phone in the office or on the 24 hour help-line.
 - To help with mailings.
 - To be the godly guide to a young woman through the decision-making process.
-
